Re: Gross Receipts for the Year Ending December 31, 2009 Transportation Report

Dear Mr. Sutherland,

We received a Gross Receipts form from your office earlier this year; however, the form we received was not the correct form. We contacted your office regarding our confusion and learned that the group helping mail the forms ran into a snafu which resulted in the wrong forms being sent to multiple carriers. We were assured the correct form would be mailed and advised that the forms were also available online.

We located the online form and submitted our figures; however, we received notification via a petition from the Office of Regulatory Staff indicating our report was not filed with your office. We were unable to locate a copy of the original report.

Please find a notarized transportation report enclosed. We apologize for the delay and any inconvenience to your office. We appreciate your understanding and assistance. Adams Moving & Storage has been in business for five years in good standing. We have a history of complying with regulations. We hope that the commission will reconsider this petition.

If you have any further questions, please contact our office at 803.905.5000.

Sincerely,

E. Al Adams
